DETAILED ACTION

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Applicant's responses filed 07/19/04 and 09/22/04 have been entered in reply to the Office action of 12/19/03 followed by Examiner initiated telephone discussions with Applicant's representative, Stacy Blasberg. Claims 49, and 57-58 and 63-65 are pending and are examined.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 57-58 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 57 and 58 are indefinite for depending upon cancelled claim 51.

Amending the claims to replace "claim 51" with ---claim 49--- will obviate the rejection.

Remarks

The claims are deemed free of the prior art, given the failure of the prior art to teach or reasonably suggest a method for producing an edible Brassicaceae plant that accumulates selenium concentrations of 2500 mg/kg, 2000 mg/kg, 1500 mg/kg and 1000 mg/kg dry wt in its edible portions, wherein at least 20% of the accumulated Se is in the form of Se-methylselenocysteine.

Claims 49 and 53-65 are allowed.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
